

Maghull Mayor – Councillor Josh Burns

I am excited to have been appointed as Mayor of Maghull for the coming year. I am from Maghull and I attended Maricourt High School.

I currently work in Maghull, being in the care sector for over seven years as a health care assistant. This has involved me working right across Sefton supporting mental health, learning disabilities, dementia, drugs and alcohol, and epilepsy.

As Mayor of Maghull you will see me out and about with my tombola raising money for my chosen charity. My chosen charity is Carla Lane Animals in need. They are a rescue centre for cats and dogs. Currently they are building much needed new kennels, so any donations would really help with that or just to care for the animals they are looking after. They take blankets and food and any donation is appreciated. I was recently out in a local primary school, St Andrews, where the children make blankets and toys for the animals and I have attended several events as Mayor in May and June which I've included photos of
